BUSINESS.

[illegible]

Substantial and Stylish, Too.

Crowd on all the shrewdness you choose in inquiring out and buying our make of clothing, that will give you faithful service, and testing our generous business methods.

You'll find us dependable and liberal too.

Have you been disappointed in getting ready-made clothing that served you out an honest money's worth? There is sightly clothing that looks as fair as if it were good. What are you to do? Find out and trust the reliable kind. We'll abide your judgment.

The clothing we sell we make, and has the customer with. It's true in every way. Substantial and stylish, too. We wouldn't tolerate a shoddy quality of cloth to make a low price. We wouldn't let pass slouchy work to fail you in the wearing.

We owe you the allegiance of faithful work, and to hold up our good name for fair dealing, and making your dollars do their best. Our goal—the satisfied customer.

The harder you earn your dollars the better you'll like our clothing and prices.
